From the Principal's Desk...

Carol McKinley and Pam Pashos

35 years service

I would like to take a moment to congratulate Carol and Pam on 35 Years of Service to the Department of Education. Recently, Carol was able to attend a ceremony for the South East Victorian Region to collect her Certificate of Recognition. A truly amazing effort in committing to teaching and learning.

School Production Ticketing

Ticket sales for the Lion King Jnr. are being organised with information to come out in the coming weeks.

Rehearsals/Props/Costumes/Bus hire/
Video Recording

You will have received a Compass notice outlining the Lion King Jnr experience for all students. We understand the commitment of time and preparation for our parents, so this year we have collated all requirements into a package for individual students. Please view Compass so your child does not miss out.

100 Days of Foundation

It's been a big week for our Preppies who celebrated their 100th day of school. On Friday, they enjoyed dressing up as they are all now 100 days smarter. Our students looked fantastic as you can see in the photos below. Many thanks to Parents and Carers who went to a lot of trouble to help with this dress up experience. A hearty congratulations to our wonderful Preppies! It's so great to watch you learn and grow in your first year of school.

**Curriculum Days 2024**

We have one remaining curriculum days left for 2024. The next day will be on Monday 4th November (prior to Melb Cup day). Our teaching and support staff will be assessment and reporting. All day care will be available for any families who require it with Camp Australia.

From the Principal's Desk...

2024 Parent / Caregiver / Guardian Opinion Survey

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

In 2024 all families are invited to participate in the survey.

The Parent / Caregiver / Guardian Opinion Survey will be open from Monday 29th July to Friday 30th August 2024.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese.

The results of the survey are analysed by staff and the school council who look for trends that might need addressing in the community. For example, the survey might indicate that parents and carers would like more information about an area of the school and we can then address this in the newsletter or other communications.

All families will be invited to participate in the survey and an email was sent via Compass on Wednesday with a link to the survey and the school's PIN number. Families should only complete the survey once.

2025 Foundation Enrolment

By DE enrolment policy, and the school's enrolment management plan, Clarinda PS has sent notifications to families who have applied to enrol their child/children in Foundation for 2025. If you have been sent an enrolment offer, please respond at your earliest convenience so that we can continue to manage the enrolment process in an efficient manner.

If you have any questions about the enrolment process, please direct them to Lynn at clarinda.ps@education.vic.gov.au .

Thumbs Up

- Professional Learning Communities:** Teaching is a collaborative profession by nature; and a strength of CPS is the productive teamwork where teachers methodically work together in Professional Learning Communities (teaching teams). Our PLC structure that enabled us to adapt successfully to meet the previous challenges of remote learning is enabling smooth navigation of teacher shortages. I thank our teachers for supporting this shared approach that benefits the students through delivery of a guaranteed and viable curriculum, grateful the work of our **PLC Leaders: Katie Young, Jo Moriani, Elena Ziebell, Susie Trumble, Nicole Delany Elley Borland, Dearnne Backhouse and Robbie Mallett.** Our leaders not only model best practice in their classrooms but ensure (as all teachers do in case of illness/absence) thorough work-programs are left for replacement teachers so they can readily follow the scaffolded lesson plans.
- Scholastic Book Fair:** Join us on in the Library for the 2024 Book Fair. This fundraising event assists the school to evoke that passion for Literature whilst making some \$\$\$\$ for new library book purchase. We look forward to seeing you on:

 - **Tuesday 13th August – 3:30pm – 4:30pm**
 - **Wednesday 14th August – 8:30am-9am & 3:30pm – 4:30pm**
 - **Thursday 15th August - 8:30am-9am & 3:30pm – 4:30pm**

Red House Fundraiser

Friday 16th August - Wear your comfy clothes & bring a gold coin donation! All funds raised will be going to Royal Childrens Hospital Fund.

South Oakleigh College
Extension Mathematics Program 2024

South Oakleigh College is providing an Extension Mathematics Program for Grade 5 primary school students aimed at developing and challenging young passionate people in the world of Mathematics.

Students will be fully supervised and supported to develop their skills across a range of topics that align with the Victorian Curriculum spanning Years 7-10 mathematics. Students will also explore their skills and be challenged to work through past Y7/9 NAPLAN papers to broadly identify their competencies and opportunities for growth.

I'll do algebra, I'll do trig, and I'll even do statistics, but graphing is where I draw the line!

Knowledge acquired will support students wishing to access our Year 7 Accelerated Mathematics program in 2024/25

When: Mondays from 4 pm-5 pm **Where:** South Oakleigh College **Address:** Bakers Rd, South Oakleigh **Classroom:** C5
Drop Off & Pick Up Point: Front Office **Cost:** Nil
