#### 2025 Parent Payments Reminder

We are now welcoming voluntary parental/carer contributions for 2025, hoping that our community will recognise the value of investing a modest amount to support their child's education. Comparing other schools, our requested contribution is quite reasonable, and we know that many schools are asking for significantly more. These funds are used to enhance our curriculum programs, allowing us to offer a higher standard than we would otherwise be able to provide. Payments can be made through Compass or at the front office. A big thank you to the families who have already made their contributions—your support is greatly appreciated!

#### **School Council Elections**

Information regarding the 2025 School Council election process has been sent to families via Compass. I would encourage any interested parent to contact me for more information. School council is an extremely vital part of the school, and it is from council that we take our direction. Council approves external contracts, provides advice and consent on a range of areas and oversees school finance. Please look out for this if you think you may be interested in nominating or being nominated. Information includes a timeline and summary of the role of School Council.

The first School council meeting of the year is scheduled for 7pm (no subcommittee) on the 18th of February.

#### 2026 Enrolments

For 2026 Foundation (prep) enrolments, a new process is being rolled out across the state. Existing CPS families will have priority, but it would be extremely helpful if current families could enrol as early as possible next term, so that we can identify how many places will be available for new families. Given the nature of the new process, we would be very happy if families could simply call the office in the meantime and advise us if you have a child that will be commencing in 2026.

As per previous years, we will be prioritising sibling claims and new enrolments from inside our Designated Neighbourhood Area. Once we have done this, we will look to provide clarity for those enrolling from outside of our area, as per the Department's guidelines (see below).

#### **Priority Order of Placement**

In circumstances when a school may not be able to accept all applications due to existing or future capacity concerns, schools must manage enrolment applications in accordance with the following priority order of placement:

- students for whom the school is the designated neighbourhood school.
- students with a sibling at the same permanent address who are attending the school at the same time.
- where the Regional Director has restricted the enrolment, students who reside nearest the school.
- students seeking enrolment on specific curriculum grounds.
- all other students in order of closeness of their home to the school.

#### **Gate Opening and Closing Times**

As in previous years, students should be arriving at 8:40am to be ready in line at 8:50am so that they can enter their classroom and be ready for learning/instruction at 9am.

Gates will be unlocked by 8:40am each morning. The reason behind this is in order to maintain student safety. Staff are not on duty until 8:40am and students who enter the schools' grounds prior to this are unsupervised and at risk. In previous years we saw a growing number of students entering the grounds as early as 8am without adult supervision. For families where both parents work and therefore need to drop off their children prior to 8:40am, the school provides an Out of School Hours Care program that runs from 7am to 8:40am.

The front gate will always remain open during the day for access to the office and as a late entry and early exit point, whilst side gates will be shut. All students arriving after 9am must sign in at the office.

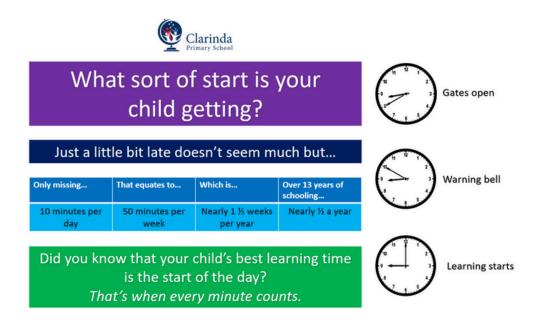

Parents are welcome on site at any time. We only ask that parents remain out of the classrooms prior to school starting as staff prepare for the day ahead. It is also important for students to build their resilience and part of this is entering the rooms on their own (with the exception of preps in the first week or so).

The side gates will be locked at 3:40pm with a warning bell sounded at 3:37pm. Any students remaining at school at 3:40pm will be escorted to the school administration office for collection. It is expected that students who are not collected by 3:40pm are registered for Out of School Hours care, so that they can be placed in care in the event that families cannot collect their children by 3:40pm.

#### **Kiss and Go Parking**

A reminder to families that cars cannot be left unattended if you are using the Kiss and Go drop off and pick up zone. I understand the tendency to think that a quick trip to the office won't hurt, but parents leave themselves open to fines if a parking officer is in the area. Often, the first time you will know about it is when you receive the fine in the mail, as most fines are processed from photographic evidence. This will also assist the flow of traffic and ease of pick up and drop off for all families. I would also remind parents that the parking time limit in this area is **2 minutes**.

#### **Car Parking**

Parents are asked to be mindful of the parking restrictions around the school. Parking officers regularly patrol the school zone. <u>The staff car park is strictly for staff cars only</u> <u>and parents must not enter this car park between 8am and 5:00pm</u>. We have visiting staff entering and leaving on a regular basis, as such, pedestrians should not use the car park when entering and leaving the school. I would also encourage families to be mindful of our neighbours and avoid parking across driveways, in no standing areas or on nature strips. We thank you for your support in this matter as student safety is very important to us.

#### **School Community Garden**

Have you seen the garden? It is thriving...

Our School Community garden started last year and it been delivering over the summer. I would like to acknowledge the contribution of Chris over the mild summer. Produce from the garden will be offered to our school community at Gate 2. All for free during Term 1.

Chris gardens most mornings.

Anyone is welcome to assist in the garden.

If you require more information, please contact Chris on 0490504631.

#### Labour Day Public Holiday

Parents are reminded that there is a Labour Day holiday on Monday 10th March. There will be no school on this day.

### Working with Children Checks (WWC)

We encourage and value parental and community support at CPS. There are many ways that parents, grandparents and friends can assist at our school. We encourage all parents to obtain a Working with Children's Check that will allow you to be very involved in your child's education. These checks are free for volunteers. Once you have your WWC please come to the office so we can photocopy this, and we will add your name to our list of parents who have a current WWC check.

#### **Annual Privacy Reminder**

Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the <u>Schools' Privacy Policy</u>.

Please take time to remind yourself of the school's collection statement, found on our website under Important Documents - Privacy Policy.

For more information about privacy, refer to: <u>Schools' Privacy Policy — information</u> <u>for parents</u>. This information is also available in nine community languages:

- Amharic
- Arabic
- Dari
- Mandarin
- Somali
- Sudanese
- Turkish
- Urdu
- Vietnamese.

#### **Accident Insurance**

The Department of Education and Training (DET) does not provide personal accident insurance for students. Parents are generally responsible for paying the cost of medical treatment for injured students, including any transport costs. The Department of Education states that reasonable low-cost accident insurance policies are available from the commercial insurance sector. Similarly, DET (which includes the school) does not offer replacement of personal items which are brought to school and are lost, broken, or stolen. Sentimental or expensive belongings and toys, including sports equipment and electronic devices, are normally best left at home.

#### **Mobile phones**

Readers of the newsletter would be aware of the introduction of the state-wide policy on Mobile Phones in Victorian Government Schools. All students are required to turn off and hand in mobile phones to prevent usage during school hours. This also extends to smart watches where the call and messaging function can connect to the student's phone.

Devices will be placed in a locked cabinet/cupboard at the start of the day and handed back at the end of the day.

School Council has approved our Mobile Phone policy to ensure it is aligned to DET directives. A copy of this policy is available on our website.

Please discuss this with your child/ren to assist us in following this policy. We thank you for your support in this area.

#### Hats

A reminder that hats must be worn in terms one and four. Sunscreen and sunglasses are also highly recommended.

Welcome to the family

### **Inclement Weather/Heat Policy**

The school operates a heat policy and we keep the children indoors in air conditioned classrooms on very hot days where the temperature exceeds 350c or as directed by the Principal. We have also been asked to remind our parent community about the dangers of leaving children in cars on very hot days.

## **School Policies**

This year, Clarinda Primary School will be going through their school review, which is a requirement for all schools in Victoria to do every four years. As part of this process, we are sharing our Child Safety and Wellbeing Policies through our school newsletter. This is an opportunity for our community to provide feedback on their understanding of the policy and any questions they may have.

## Child safety and wellbeing at Clarinda Primary School: Information for families and the school community

Clarinda Primary School is committed to providing an environment where students are safe and feel safe. We have a zero tolerance for child abuse and are committed to protecting children from harm.

Our comprehensive child safety framework outlines our school's strategies to support student safety and wellbeing. The framework includes the following policies, codes and procedures:

- Child Safety and Wellbeing Policy
- Child Safety Code of Conduct
- Child safety Responding and Reporting Obligations Policy and Procedure
- Complaints Policy
- Student Wellbeing and Engagement Policy
- Bullying Prevention Policy
- Volunteers Policy
- Visitors Policy

Our students and their families are important partners in keeping our

students safe. We value feedback and ideas on how we can

continuously strengthen our child safety framework.
